

## Chariots

O Shepherd O shepherd come leave off your piping  
Come listen come learn come hear what I say  
For now is the time that has long been foreseen  
For now is the time there'll be new tunes to play  
For soon there comes one who brings a new music  
Of sweetness and clarity none can compare  
So open your heart for heavenly harmony  
Here on this hill will be filling the air  
With chariots of cherubim chanting  
And seraphim singing hosanna  
And a choir of archangels a-caroling come  
Hallelujah Hallelujah  
All the angels a-trumpeting glory  
In praise of the Prince of Peace

See on yon stable the starlight is shimmering  
And glimmering and glistening and glowing with glee  
In Bethlehem blest this baby of bliss will be  
Born here before you as bold as can be  
And you'll be the first to hear the new symphony  
Songs full of gladness and glory and light  
So learn your tunes well and play your pipes proudly  
For the Prince of Paradise plays here tonight

Bring your sheep bleating to this happy meeting  
To hear how the lamb with the lion shall lie  
It's mooing and braying you'll hear the song saying  
The humble and lowly will be the most high  
Let the horn of the herdsman be heard up in heaven  
For the gates are flung open for all who come near  
And the simplest of souls shall sing to infinity  
Lift up and listen and you shall hear

The warmonger's charger will thunder for freedom  
The gun-maker's furnace will dwindle and die  
And muskets and sabers and swords shall be sundered  
Surrendered to the sound that is sweeping the sky  
And the shoes of the mighty shall dance to new measures  
And the jackboots of generals shall jangle no more  
As sister and brother and father and mother  
Agree with each other the end to all war

As a candle can conquer the demons of darkness  
As a flame can keep frost from the deepest of cold  
So a song can give hope in the depths of all danger  
And a line of pure melody soar in your soul  
So sing your songs well and sing your songs sweetly  
And swear that your singing it never shall cease  
So the clatter of battle and drums of disaster  
Be drowned in the sound of the pipes of peace
