

## Halsway Carol lyrics

Lo for the tiding of the Long Night Moon  
Let the sunrise call about the morning soon  
Short is the bidding of the fading light  
Sing for the coming of the longest night

North wind tell us what we need to know  
When the stars are shining on the midnight snow  
All of the branches will be turned to white  
Sing for the coming of the longest night

*A winter day, the summer grass turned hay  
Frost in the field 'til the dawn of May  
A summer's light never shone as great or as bright  
So dance in the shadows of a winter's night*

Lo for the tiding of the Long Night Moon  
May the harvest last until the springtime bloom  
Home is our comfort at the winter's height  
Sing for the coming of the longest night

All of the colours of the sunrise sky  
Shine a light upon us, as the day goes by  
Sunsetting shadows fading out of sight  
Sing for the coming of the longest night

*A winter day, the summer grass turned hay  
Frost in the field 'til the dawn of May  
A summer's light never shone as great or as bright  
So dance in the shadows of a winter's night*
